# SUCCESS IS THE ONLY OPTION

In the 2007-2008 academic school year, one of the two following actions may occur: 1- Pearce will be academically acceptable if all state standards are met as evident by the state's accountability rating system; or 2- the Commissioner shall review student progress and may order closure or pursue alternative management if the campus does not meet state standards.

If you live in the Pearce Community, or a feeder school to Pearce, a student, teacher, parent, PTA, CAC, DAC member we need you. We need your help in keeping the doors open at Pearce Middle School. You are a stake holder in this school and you need to be a part of the solution. Come out and meet with others from the district and the community. **Success Is The Only Option.**
