

Austin Independent School District
Cunningham Elementary
2024-2025 Performance Objectives

Mission Statement

We create global citizens who engage in problem-solving and critical thinking for a lifetime.

Cunningham Elementary School is a “South Austin Gem.” Our Emeril Lagasse Culinary Garden & Teaching Kitchen provides our students the opportunity to develop an understanding and passion for the art, science, and beauty behind the farm-to-table experience.

Through project-based learning and a focus on “changemaker” and “peacemaker” skills - we aim to foster a caring and just culture and climate; build student voice and agency; cultivate understanding and respect for cultural differences; and emphasize asset-based approaches to skill development.
