Language Access

- AISD moved to Google Meet, which does not offer a simultaneous language interpretation option.
- EAC materials are available online in Spanish
- Should participants like Spanish closed captioning (multiple languages available), attendees can choose their preferred language

How to Change Captions Language

1. While in the meeting, go to the 3 dots on bottom right.
2. Choose “settings” from menu.
3. Choose “Captions” from the list.
4. Choose “Translated Captions” from the list.
5. Use drop down menu to choose the preferred language.

The image shows a sequence of five screenshots illustrating the steps to change the captions language in a meeting:

- Screenshot 1:** Meeting controls menu. The 'Settings' option is highlighted with a red arrow.
- Screenshot 2:** 'Settings' menu. The 'Captions' option is highlighted with a red arrow.
- Screenshot 3:** 'Settings' - Captions screen. The 'Translated captions' option is selected with a red circle and arrow.
- Screenshot 4:** 'Settings' - Captions screen. The 'Your preferred language' dropdown menu is set to 'Spanish'.
- Screenshot 5:** 'Settings' - Captions screen. A list of languages is shown, and 'Spanish' is selected in the dropdown menu.

Our Project

What is Animal Enrichment?

- Animal enrichment is a way for animals who live in captivity to have challenges and stimulation according to species. This is also called behavioral enrichment.
- This means the animals are often provided with changing environments, things that challenge their brains, and opportunities for socialization.

Animal enrichment helps animals learn, have fun, and socialize in captivity by giving them new activities and environments that challenge their brains and behavior.

Phase I Analysis Findings (Selected)

Document Review

- AISD conducted multiple comprehensive analyses of student testing and school climate outcomes.
- Findings and recommendations across reports were not integrated nor monitored for implementation.

Data Analysis

- Additional funding was provided based on student need(s).
- Resource management and student experience differences persist.

MMC Memo

- Partnership(s) with community organizations added value for students and teachers.
- There was inadequate transparency and engagement around major policy decisions.

Focus Groups

- Staff communicated a willingness and commitment to AISD and its students.
- Inadequate support(s) and resources for teachers and staff created difficult working conditions.

School Walkthroughs

- Staff emphasized fostering warm, supportive relationships and a sense of community.
- The disparity in resources and support across different schools adversely affected the most disadvantaged student groups.

Policy Review

- Policies focused on ensuring all students, regardless of their backgrounds or circumstances, had access to opportunities for success.
- Interest holders were not always formally consulted or embedded in important decision-making processes, raising concerns about representativeness.

Recommendation Phase Overview

- Initial Recommendations
- Refinement Process
- Prioritization

Prioritized Recommendations: Students

- Student Recommendation 1C: Implement the Culturally Responsive School Walkthrough tool
- Student Recommendation 2D: Implement extensive behavior management training for staff
- Student Recommendation 4A: Increase behavioral and mental health staff

Prioritized Recommendations: Staff

- Staff Recommendation 1D: Allocate funding to support educators
- STAFF RECOMMENDATION 3A: Train school leaders in trust-building, feedback delivery, and culturally responsive school leadership
- STAFF RECOMMENDATION 3D: Streamline instructional initiatives for a Culturally Responsive and Sustaining Education (CRSE) strategy adoption

Prioritized Recommendations:

Resource Allocation

- Resource Allocation Recommendation 1A: Develop a standardized process to rank and serve Title I schools
- Resource Allocation Recommendation 1B: Implement hold harmless provisions for under-resourced schools
- Resource Allocation Recommendation 1D: Strategically allocate student support staff
