

2013-2014 AISD Parent Survey Paredes Middle School

Strong relationships among staff, students, and parents are critical to student success. These survey results provide campuses with feedback on how parents feel about their treatment by school staff, the school's educational environment, and various school-based opportunities parents would like for their children. The following report contains the results of the 2013-2014 Parent Survey for Austin Independent School District (AISD) for Paredes Middle School. The district report can be found at: www.austinisd.org/dre.
