17th Annual Unity Walk
(Webb ECPA to Northeast ECHS)
9:00am-10:00am

6th Annual KidsFest at Northeast ECHS
10:00am-1:00pm

Every year, students, families, friends, schools, churches and organizations join in the fun by coming together to celebrate our diversity, promote unity and show our strength as a community that believes that "Together we can do more! / ¡Juntos podemos hacer más!"

Ways your organization can participate in the Unity Walk:

- Invite and incentivize students/families to participate:
 - Offer community service hours for credit recovery or court requirements (adult supervision is required)
 - Promote it as a service learning opportunity with a class or group
 - Offer it as a field trip through a student group or after-school program
- Invite parents to participate and bring the whole family using communication systems and social media available through your school or program
- Have a sign-making party to help enable youth and adults to express their pride, beliefs, hopes, ideals and goals for their schools and community. Make signs, banners, posters and even floats with cars, trucks, trailers, etc.

Ways your organization can participate in KidsFest:

- Register as an exhibitor at a table to promote youth and family programs and services, especially for the summer!
- Give away items and informational literature to promote your programs or services!
- Offer activities that engage youth of all ages in learning or physical activity or just plain fun!
- Promote your school to the community!
- Have your group perform!

Ways your organization can support the festival:

- Volunteer! [Register here!](#)
- [Be a financial sponsor!](#) Contact Edith Gray for details.
- Help to spread the word through your communication systems, contacts and social media: [Flyer](#)
